

2006 Christmas Party

The Jobs West 2006 Christmas Party was held on December 1 2006. It was a great success and enjoyed by all that attended.

Loretta attended with members of her family.

The turnout was the best Jobs West has had in years with between 90-100 people in attendance.

Many of our clients attended with family or friends.

Roger Anthony and Eleanor catch up.

Once again the food was excellent, with many returning for seconds.

The Christmas Party gave Clients the opportunity to get together and catch up with Staff and each other.

It was good to see so many new faces, with a lot of Clients attending for the first time.

Lisa Vince and Lindsay look like they enjoyed their meal.

Many of the WVA committee members attended.

Joe Jim, Rayleen and Barry take the opportunity to catch up.

Dante and his daughter Chelsea enjoying the festivities.

After the meal was enjoyed by all, many took part in pass the parcel, which was the cause for a lot of curiosity as it progressed.

Thankfully the bad weather held off for the night, which enabled the cricket enthusiasts to take part in a game down at the park.

While the boys got really serious about the game.....the girls just wanted to have fun.

The kids anxiously awaited the arrival of Santa. A special day for Justin and his son Corey, being his very first visit with Santa.

And then we had the raffles, congratulations to Jason and Matthew on their win.
